Assessor's Parcel No:	PML Unit/Lot:
Attach Proposed Plan Plot Plan with Topographic Information	ation (include photos if available).

This application is made to the District Engineer of GCSD for his investigation of the feasibility of installation of a water/sewer main extension to serve the property of the applicant/owner.

Applicant has received [] Water Ordinance 2-17 and/or [] Sewer Ordinance 1-08, and [] GCSD Policy for Residential and Commercial Development (Sections 602 and/or 603 of the GDSD Operational Policies & Procedures Manual), and understands that the provisions of said Ordinance establish the rules and regulations for water/sewer service by GCSD.

By signing this application, the applicant agrees to observe any District regulations now or hereafter adopted related to water or sewer service and to pay bills promptly.

Applicant has received the GCSD Process Checklist for Sewer/Water Main Extension. The checklist summarizes requirements.
