Join the Groveland CSD District Team

GENERAL MANAGER

The position as Groveland Community Services District GENERAL MANAGER is one of those rare opportunities to which public professionals gravitate. The reasons are obvious; amazing location, great staff, compelling technical challenges and great District. Located in the gorgeous California gold country of historic Groveland, this beautiful piece of the world provides the best in outdoor lifestyles. The GCSD is a team of professionals and decision makers who are committed to providing a high quality/high functioning public agency for this community.

The ideal candidate will have a BA/BS degree in a related field, increasing public management experience with demonstrated organizational leadership, strategic thinking and community involvement. A combination of education and public agency experience, along with successful knowledge and abilities may also qualify candidates.

These will not be the only qualifications, but a demonstrated passion for public administration and good governance as pre-requisites are also important.

The annual salary range is \$115,000-130,000 DOQ, along with a generous benefits package. Recruitment closes on May 1, 2017. Email for a candidate brochure for more details. Resumes or correspondence directly to the District will not be considered.

Send your cover letter , resume, and references in one electronic document to andrew@bhiconsulting.com.
