

*GCSD Use Policy Regarding District
Tables, Chairs, & P.A. System*

As Agent/Sponsor of _____
(event)

To be held between the hours of _____ to _____ on _____
(date)

In signing this document I agree to remove and replace the tables and/or chairs from the storage at Mary Laveroni Community Park with the key entrusted to me. I understand that upon return of the key to GCSD, a District employee will verify the table and/or chair count. Likewise, I understand that I will be required to sign out the District's P.A. System, and return it by the next business day following the event.

I agree that chairs/tables/PA System are for the park events usage only. These items will not be loaned, rented or taken off of the Park property. Tables or chairs found missing or damaged will be valued at \$25.00 per chair and \$50.00 per table. Damage done to the District's P.A. System will be evaluated by staff, and the responsible party will be charged accordingly for repair or replacement. This charge will be deducted from the deposit and/or billed to the sponsor of the event.
