

Groveland Community Services District Fire Department / CALFIRE

18966 Ferretti Road Groveland, CA 95321

Staff Report
April 1, 2025

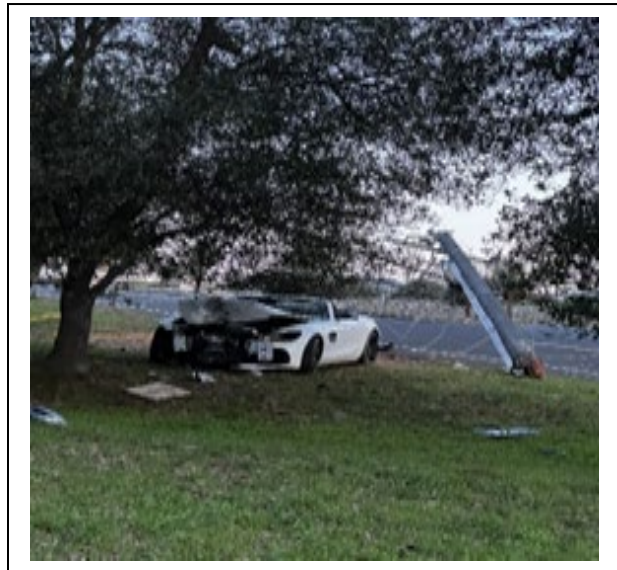

To: Board of Directors

From: Andy Murphy, Assistant Chief
By: Travis Chunn, Fire Captain

Subject: Monthly Activity Report – March 1, 2025 – March 31, 2025

Operations:

On March 9th at 6:45 PM GCSO Engine-787 and TCFD Engine-631 responded to a report of a traffic collision. Upon arrival, they found a single-vehicle collision with a power pole, downed power lines, and the vehicle's sole occupant unharmed. Crews assessed the occupant and confirmed there were no injuries. The scene was secured to prevent further hazards.

Operations:

On March 12th, at 5:46 PM GCSD Engine-787 and TCFD Engine-631 responded to a report of a single-vehicle collision with a tree. Upon arrival, they found the vehicle with major damage against the tree. Crews quickly and safely extricated the patient from the vehicle, and he was then transported to the hospital. Fire crews secured the area and assisted with traffic control.

On March 14th, at 7:45 AM GCSD Engine-787 and TCFD Engine-631 responded to a traffic collision on an icy roadway. Upon arrival, crews found both vehicles with significant damage. Two occupants were assessed for injuries at the scene, both of whom required medical attention and were transported to a local hospital. Fire crews secured the area.

Fire Department News:

GCSD Station 78 recently completed its kitchen renovation. The upgrades included the installation of new stainless-steel appliances, upgraded countertops, and additional storage to better meet the station's operational needs. The improved kitchen provides a more efficient and comfortable space for firefighters.

Fire Department News:

The Groveland Community Services District mechanics have been working hard to perform major repairs on Engine-781. This extensive maintenance will help extend the engine's service life and improve efficiency. Once completed, Engine 781 will be fully operational and ready to serve the community.

GCSD Engine-787 and TCFD Engine-631 visited Tenaya Elementary to give students a hands-on look at firefighting and rescue tools. Firefighters demonstrated the use of Rescue 42 stabilization tools, explaining how they help secure vehicles in accidents. They also showcased the operation of high-pressure airbag systems used to lift heavy objects during rescues.
