Subject: Application for the GCSD Board

Date: 2-14-2018

Dear Ms. Flores,

I have again received a letter regarding the resignation of a board member for GCSD and solicitation for new applicants. Therefore I am submitting my application and my resume for the vacant position

The skills sets and experiences that I would bring to the Board are summarized below:

- A Licensed Professional Engineer in CA to be analytical and objective in decision making
- Lives in Pine Mountain as a rate payer and cares about the direction on the community

As a Board Member, I believe my experience in dealing with engineering projects can bring a different spectrum into the District's directions. As a rate payer within GCSD, I will do my best to be involved in the community.

Thank You,

Lawrence Soe
