SUBJECT: Public Hearing for the Placement of Delinquent Charges for FY 16-17 on Property Tax Rolls; Adopt Resolution 11-17 Regarding Collection of Delinquent Charges

SUMMARY

Government Code Section 61115 (Code) provides for the collection of unpaid utility charges and delinquencies. There are two basic methods set forth in the Code that may be pursued simultaneously. The Code provides that the District may record a certificate of lien with the County Recorder's Office declaring the amount of charges and penalties due. The recorded lien attaches to any real property in the County that is owned by the delinquent property owner. The Code also authorizes the District to collect the delinquent charges and penalties on the tax rolls as part of the ad valorem property tax collected by the County on real property, after a public hearing.

Notice of such a public hearing must be published in the newspaper and mailed notice must be given to the delinquent property owner. Notice of this public hearing was published in the Sonora Union Democrat on July 20, 2017 and July 27, 2017 and mailed notices were sent to the property owners on July 07, 2017.

In addition to providing notice of the hearing, the General Manager must file a report with the Board that describes the amount of unpaid charges and delinquencies, as well as the associated property owners and the assessors parcel numbers. At today's public hearing, the Board must hear and consider any objections and/or protests to this report. At the close of the public hearing, the Board must make a determination on each affected parcel by adopting or revising the report. The final report is filed with the County Auditor on or before August 10th and the amount entered on the property tax assessment roll for collection in the same manner as property taxes.
