- GCERT Len Otley is our Training Officer. The next training is in April 21-23 TC EOC.
- GCERT assisted the PMLA Safety Committee in developing evacuation maps for PML and the Greater Groveland area. They have been approved by TCSO and TCOES. These are live on PML website. What is needed to add to GCSO website?
- GCERT participated in a CHP conducted traffic control workshop March 25th 9am to noon. We would like to thank GCSO for supporting this event.
- GCERT is partnering with PML Safety Committee for a Personal Preparedness Workshop for Seniors at Little House on May 5th.
- Groveland CERT will partner with the Pine Mountain Lake Safety Committee to offer at least one Fire Preparedness Workshop in Q2. Between the 3 workshops in 2022, nearly 100 local folks have participated.
- GCERT is partnering with PML S&SC to provide First Aid/CPR/AED training June 3.
- GCERT attended the April 6th meeting of the TC Health Care & Safety Coalition meeting.
- The GrovelandNET is a community radio communications network utilizing FRS radios. These are about \$30 each, require no license, would be in typical use throughout Groveland/BOF. Additionally, a few GMRS would be used to communicate outside the area on to Sonora OES using repeaters. These are more expensive, require a license & training. GCSO would implement a Base Station.
